

Dear Members of the Dzogchen Community,

The documents containing the procedures for the Santi Maha Sangha examinations are available on the following web page from which they can be downloaded:

<http://www.dzogchen.it/dzogchen/teachings/santi-maha-sangha>

Recently the updated list of the Santi Maha Sangha Base practices was added. This list changed in time so please be sure that you have the last version.

Every Gakyil is requested to keep a copy of these documents in their archives and to make it available to their members and practitioners.

For any clarification please contact the Santi Maha Sangha coordinator of your Gar or the Santi Maha Sangha Coordinating Center of the IDC.

Best wishes,

IDC - International Gakyil
